

## **5 + 4 = Sweet Dreams – Bed Time stories for 3 to 9 yr olds**

What happens to a giant when he shrinks!?

What could you do with a cloak that makes you invisible?

Could you be friends with a very ugly monster?

Imagine the reaction of your friends if you brought to school an alien from out of space.

Ever heard of a tiger who couldn't roar?

What if fairies did exist?

Imagine your toys coming alive!

How sad would a spotty dog be without spots?

What's it like being lost in a fair ground?

The answer to these wonderful questions and more can be found in these easy to read bed time (anytime) stories.

The magic comes to life when the parent/guardian or teacher reads the stories to an audience of children whose eyes sparkle with inquisitive delight wanting to know what happens next! A sure way of nurturing imagination, early wisdom and affection.
